Coach's Challenge Presenting Sponsor

Dear Friends of Coaches vs. Cancer of Penn State,

We've had challenges, as a basketball team and in our daily lives during these uncertain times, but we always strive to meet them and overcome them. Our Coaches vs. Cancer team works endlessly, throughout the year, to **MAKE A DIFFERENCE** in the fight against cancer in our community and beyond. That's always been our goal. None of us can control the situation our nation/world is in right now. Cancer hasn't stopped, and neither will we. We couldn't TEE OFF ON CANCER this May, but WE CAN all fight together, as a team, to **SAVE LIVES, CELEBRATE LIVES, and LEAD THE FIGHT** for a world without cancer. I'm so proud of our **TEAM EFFORT** – from our committee, volunteers, sponsors, and benefactors like you. Working together, we've impacted the lives of others and provided not only resources and assistance, but we have also **PROVIDED HOPE**.

My wife, Courtney, and I invite you to participate in our annual **"COACH'S CHALLENGE"** by making a gift to CVC-Penn State if you can. **Any amount will help!** We will match dollar-for-dollar the first \$5,000 contributed.

THANK YOU, in advance, for all your help... and please STAY SAFE! 

Yes, I/we wish to help support Coaches vs. Cancer® of Penn State and participate in this year's Coach's Challenge.

Thanks to the generous Coaches vs. Cancer of Penn State donors, the American Cancer Society (ACS) is able to fund life-saving research and services in Pennsylvania and beyond! In total, the ACS is funding over \$30 million in research grants in Pennsylvania alone, while also directly supporting patients and families in the Centre Region. Out of the current 48 PA grants, 6 researchers are associated with Penn State University! **In 2019, ACS:**

- Provided 27,100 free/reduced-cost lodging to Pennsylvania residents through our Hope Lodge communities and Hotel Partners Program.
- Provided 35,000 rides for patients in Pennsylvania to and from cancer related treatments through the Road to Recovery program.
- Provided \$37,000 to the Bob Perks Fund to cover rent, utilities, and other unpaid bills for Centre Region cancer patients and their families.
- Served 18,000 Patients in Pennsylvania with ACS programs, information, and support services.
- Has 52 Hospital and Health System partners in Pennsylvania.
- Responded to 53,000 calls from individuals in Pennsylvania with cancer-related questions and concerns.
