The American Cancer  
Society Golf Pass is a great  
deal for a great cause.

**The mission of the American Cancer Society is to  
save lives, celebrate lives, and lead the fight for a  
world without cancer.**

While most people know us for our innovative  
research, we do so much more. We promote healthy  
lifestyles to help reduce risk for cancer. For those who  
are diagnosed, we're there every minute of every day.

We help people stay healthy and thrive after treatment.  
We research ways for survivors to not only live longer,  
but live better. In addition, we work to ensure that  
individuals in every community have access to cancer  
prevention, detection, and treatment.

While we invest more in cancer research than any  
other private, nonprofit cancer organization, we  
also provide free services to those affected by  
cancer – such as 24/7 information and support, rides  
to treatment, and free lodging when treatment is far  
from home.

Thanks in great part to supporters like you, we've seen  
a 27% reduction in cancer mortality rates since 1991.  
That's more than 2.6 million lives saved!

**Together, we're attacking  
cancer from every angle.**

PO Box 198  
Hollidaysburg, PA 16648
