A STRONG AND GROWING CHARITABLE EVENT

Since it began in 1995, Coaches vs. Cancer™ of Penn State has raised over \$3 million net to fight cancer. The Golf Tournament is a major source of funds that have gone through the Centre Unit office of the American Cancer Society in State College, and have also supported numerous individuals and families from our area affected by cancer and in financial need through the Bob Perks Cancer Assistance Fund. Non-golfers have also supported this event over the years. In the Spring of 2005, the Coach's Challenge/Benefactors Program was established – with \$325,000 raised to date.
